RESPONSE TO MOTION

The United States of America, by and through Carmen M. Ortiz, United States Attorney for the District of Massachusetts, and Emily O. Cummings, Assistant United States Attorney, requests this Honorable Court deny as moot the *Motion of the American Civil Liberties Union of Massachusetts to Unseal Court Docket Sheets*, which was filed on March 31, 2016. On April 8, 2016, the Honorable Marianne B. Bowler, United States Magistrate Judge, granted the government's motion to unseal all pleadings in case number 16-MJ-2007-MBB, which involves the above-referenced iPhone, including the applicable search warrant and related orders of the court. [See Doc. No. 9.] Per her Order, Judge Bowler not only unsealed the requested docket sheet, but also all related pleadings. Therefore, the pending ACLUM motion is moot and should be denied.

Respectfully submitted,

CARMEN M. ORTIZ
United States Attorney
